

Retirement Affairs Division - Daily Report - 28 Sept 73

*4. Possible Job Assignments for our Retirees/Resignees*

A representative of RAD had a very good meeting today with the Executive Vice-President of the DC Board of Trade to give him a list of the names and qualifications of 60 of our retirees/resignees who are looking for jobs. The Executive Vice-President will brief each of the members of the Board on our program and will ask them, in turn, to ask their Directors of Personnel to look carefully at our list of candidates. He thought it would be best if the expression of interest in our people came from the top downward rather than attempt to push at it in the reverse way. The Vice-President had two immediate openings for Economists (one for \$18,000 and one for \$13,000) for which he will consider our Economists on the list.
